Many of us wonder what we are missing when we feel a lack of fire in our hearts for the faith we believe.

What if we have been looking in the wrong direction?

Join us at the North Wales Men's Conference as we ponder what it means to be delighted by God!

Speaker Peter Mead, one of the pastors of Trinity Chippenham, a church launched four years ago, will be bringing God's word to us. Peter grew up in the UK before meeting his wife and studying in the USA. He is a mentor with Cor Deo and teaches with Union School of Theology. He has written several books and enjoys helping others to enjoy God's Word. He is married to Melanie and they have six children.
